upload Resume

Display Available Jobs

Apply for selected job

Display "Application Submitted successfully"

Else

Display "Invalid Login"

End if

END

SMART PARKING SLOTS BOOKING APP

ALGORITHM

Step 1:

Start

Step 2: Display Login and Register options

Step 3: Register new user if Required

Step 4: Login with valid credentials

Step 5: Display available parking slots

Step 6: Show count of Empty parking slots

Step 7: user select a parking slot

Step 8: confirm Booking

Step 9: update parking availability

Step 10: Stop

PSEUDO CODE

BEGIN

Display "Smart parking APP"

Display "1. Register 2. Login"

If user selects register then
 Input user details
 Save details

End if

Input username, password

If login successful then
Display empty parking slot count
Display Available parking slots
Input slot number

If slot available then

Book slot

update slot count

Display "Booking successful"

Else

Display "slot not Available"

End if

Else

Display "Invalid Login"

End if

END

ONLINE BODY FITNESS APP

ALGORITHM

- STEP 01: Start
- STEP 02: Display login and Register options
- STEP 03: Register new user if Required
- STEP 04: Login with username and password
- STEP 05: Display fitness Blog

Step 06: Display diet planner

Step 07: Display fitness video

Step 08: select subscription plan

Step 09: complete payment

Step 10: Stop

PSEUDOCODE

BEGIN

Display "online body fitness app"

Display "1. Register 2. Login"

If user selects Register then

 Input user details

 save account

End if

Input username, password

If login successful then

 Display fitness Blog

 Display diet planner

 Display fitness videos

 Display subscription plans

 Input selected plan

 process payment

If payment Successful then
Display "subscription Activated"

Else

Display "payment Failed"

End if

Else

Display "Invalid Login"

End if

END
